

Garden landscape lights

SPECIFICATION

Power: 30W

Luminous efficacy: 120lm/w

Luminous Flux: 4500lm

LED Sources: LED/COB/SMD

Driver: Brand driver

Input Voltage: AC85~265V

Material: Aluminum Alloy

CCT: 2700-6000K

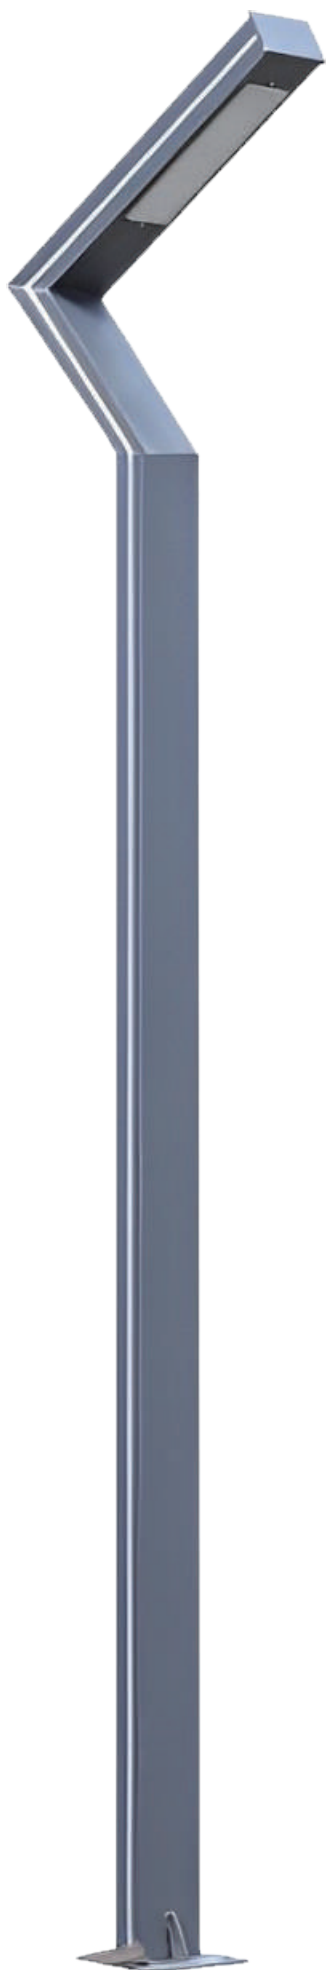

CRI (Ra>) : 80

PF: >0.95

IP rating: IP65

Lifespan: 50000h

Working Time: 50000h

FEATURES

Product Advantages.

【NEW DESIGN】

Modern consise style, Special heat sink design.

【GOOD QUALITY】

Aluminum Alloy housing+PC lampshade.

【HIGH EFFICIENCY】

*High power led, having high brightness,
long using life, saving energy.*

DETAILS

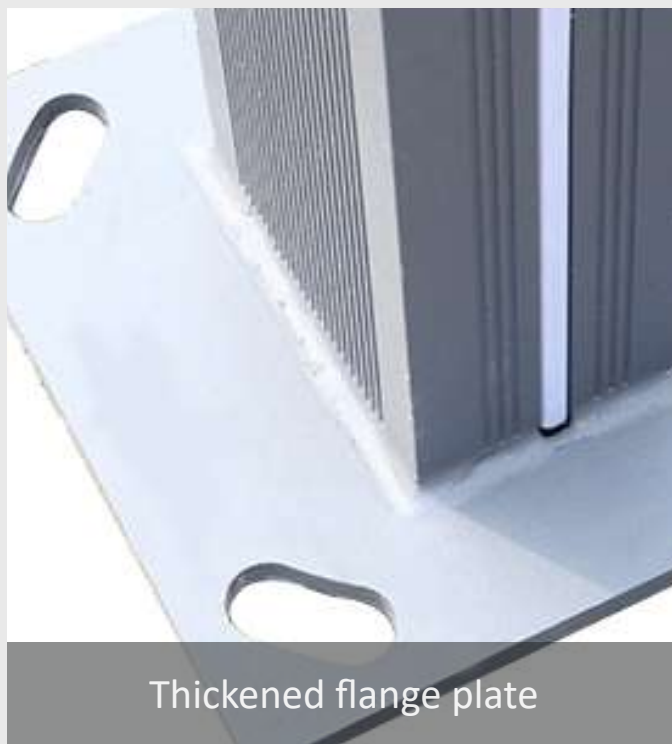

Patent optical LED lens

Ultrabright LED chip

Aluminum Alloy housing

Thickened flange plate
